

USS ABRAHAM LINCOLN NCC 71809 - A

Since February 12, 2009, the U.S.S. Abraham Lincoln has been a Rockland County based *Star Trek*® Fan chapter of STARFLEET, the International Star Trek Fan Association, Inc., located in Region 7, New York. The timeline the chapter participates in is set during the *Star Trek Picard series*. The calendar year is 2401 the Stardate is 78183.

Aboard the U.S.S. Abraham Lincoln, members take on the role of a StarFleet officer serving on a starship that is exploring new ways for having fun and socializing with people who share a love of all science fiction.

The chapter meets monthly for organizational news and social gatherings. Additionally, the chapter participates in many chapter, regional, Fleet and organizational events such as: BBQs, movies, parties, trips to museums, themed outings, conventions and conferences. In 2018 the Lincoln along with the USS Justice hosted the Region 7 Conference. A 20-year attendance record was set with 61 people participating.
